

# Teen Study

This six week, web-based bible study teaches teenagers God's perspective of managing money and possessions. It can be accessed from a smartphone, tablet, computer or virtually any device with a web browser. It will provide the practical applications of handling finances, and really gets to the heart of the matter. The Give, Save & Spend Study has been designed for small groups but has the flexibility to be used as a self study, in a classroom setting or one-on-one.

## Topics Include:

- God's Part & Our Part
- Work & Spending
- Saving & Counsel
- Generosity
- Crisis & Eternity

## Electronic Practical Applications Include:

- » 30- Day Diary of Income and Expenses
