

Set Your House in Order

The five-week **Set Your House in Order** small group study is designed to enable you to assemble and organize your important financial information in just one place. **Set Your House in Order** is also an outstanding tool to help you plan your estate and manage your current finances. A free copy of **Your Money Counts** is included with the study!

Topics Include:

- Building a foundation
- Taking inventory
- Providing for your loved ones
- Leaving a legacy

Features:

» Practical tools can be accessed in the workbook as well as electronically and on-line.

Flexible Teaching Format

A small group is the most effective setting for applying what you'll learn in this study. The small group format is flexible and can be taught in a variety of ways. The study may also be conducted in a classroom, seminar or completed as a self-study.

Student Single Set **\$25**

Student Couples Set **\$35**
