

A FINANCIAL DISCIPLESHIP MINISTRY™

CHARTING YOUR LEGACY

The **Charting Your Legacy 6-lesson small group study** is designed for those entrusted with significant resources. The objective of the study is that you finish well so that you will hear these words from the Lord ringing in your ears forever, "Well done, good and faithful servant . . . enter into the joy of your master" (Matthew 25:21).

Together with those in your group, you will explore the unusual challenges and wonderful opportunities that face those with a surplus – all from God's point of view. These timeless truths will help you discover a greater sense of contentment, confidence that you are in God's will, and the joy of making an eternal difference.
